WORK EXPERIENCE

Frontend Developer

03.2026 — Present

Zamon Digital Tech (Zamon Agency), Fergana

PRO HOME UZ — real estate and services platform, Uzbekistan

- Built a React + TypeScript marketplace from scratch, creating a convenient experience for users.
- Converted the web app into an Android app using Capacitor and successfully published it to the Play Store.
- Reduced page load time from 4.2s to 1.5s through lazy loading and code splitting — conversion increased by 28%.
- Mentored a 3-person frontend team and established the code review process.

Frontend Developer

08.2025 — 02.2026

Frontend Freelancer

- Delivered 6+ client projects (e-commerce, corporate websites, admin panels) on time.
- Improved my skills in converting Figma mockups into pixel-perfect and responsive markup.
- Increased development speed by 70% through effective use of component libraries.

EDUCATION

Frontend (React)

08.2025 — 05.2026

Studied at Najot Ta'lim Center under experienced instructors and took part in real projects during the course.
