WORK EXPERIENCE

Frontend Developer

03.2026 — Present

Zamon Digital Tech (Zamon Agency), Fergana

PRO HOME UZ — Real Estate and Services Platform, Uzbekistan

- Built a React + TypeScript marketplace from scratch, delivering a convenient and user-friendly experience.
- Converted the web application into an Android app using Capacitor and successfully published it on the Play Store.
- Reduced page load time from 4.2s to 1.5s through lazy loading and code splitting — conversion increased by 28%.
- Mentored a frontend team of 3 developers and established the code review process.

Frontend Developer (Freelance)

08.2025 — 02.2026

- Delivered 6+ client projects (e-commerce, corporate websites, admin panels) on time.
- Gained solid experience converting Figma designs into pixel-perfect and responsive layouts.
- Increased development speed by 70% through effective use of component libraries.

EDUCATION

Frontend (React)

08.2025 — 05.2026

Studied under experienced mentors at Najot Ta'lim Education Center and participated in real-world projects throughout the course.
