WORK EXPERIENCE

Frontend Developer

03.2026 — 08.2026

Zamon Digital Tech (Zamon Agency), Fergana

PRO HOME UZ — real estate and services platform, Uzbekistan

- Developed a marketplace based on React + TypeScript from scratch, creating convenience for users.
- Turned the web app into an Android app using Capacitor and successfully published it on the Play Store.
- Reduced page loading from 4.2s to 1.5s through lazy loading and code splitting — conversion increased by 28%.
- Mentored a 3-person frontend team and set up the code review process.

Frontend Developer

10.2025 — 02.2026

Frontend Freelancer

- Delivered 2+ client projects (e-commerce, corporate websites, admin panels) on time.
- Gained experience in turning Figma mockups into pixel-perfect and responsive layouts.
- Increased development speed by 70% through effective use of component libraries.

EDUCATION

Frontend (React)

08.2025 — 05.2026

I studied at Najot Ta'lim Center under experienced mentors and participated in real projects during my studies.
